13.1.4	quantitative information related to defaults	Quantitative information related to defaults; Appropriate references to other published material related to the defaults	Not Applicable

## Principle 14: Segregation and Portability

Disclosure Reference	Disclosure Title	Disclosure Description and Reporting Frequency	Quantitative Disclosures
14.1.1	Total Client Positions held as a share of notional values cleared or of the settlement value of securities transactions	Total Client Positions held in individually segregated accounts	Not Applicable  * Note for 14.1 - NSE Clearing Limited calculates client positions separately and uses separate accounts to maintain them. As a result, the positions are fully segregated at client level. Based on client positions, NSE Clearing Limited also calculates margin requirements separately for each client. NSE Clearing Limited however does not accept collateral from clients and clearing members are required to deposit their own assets as collateral for meeting margin requirements of proprietary as well as client positions.
14.1.2	Total Client Positions held as a share of notional values cleared or of the settlement value of securities transactions	Total Client Positions held in omnibus client-only accounts, other than LSOC accounts	Not Applicable
14.1.3	Total Client Positions held as a share of notional values cleared or of the settlement value of securities transactions	Total Client Positions held in legally segregated but operationally comingled (LSOC) accounts	Not Applicable
14.1.4	Total Client Positions held as a share of notional values cleared or of the settlement value of securities transactions	Total Client Positions held in comingled house and client accounts	Not Applicable
